## PARKER T-Ball JOTTER PEN

writes beautifully without bearing down

It's worth the effort to hang onto this pen because it's not "just another ballpoint." The Parker Jotter is precisely engineered. Its textured T-Ball with thousands of tiny grippers holds the paper and bites through slick spots. The whole giant refill "shifts gears" a quarter turn every time you click the button, saves wear on the point. The Parker Jotter writes up to five times longer than ordinary ballpoints. Buy it for yourself — or a gift.
